SUPPORT
PW STUDENTS

Dear PW Families,

Every year, our teachers, coaches and club sponsors go above and beyond to create opportunities for our students. Many of these programs, resources and activities depend on support from our school community.

Last year, PW parents donated **$45,000** to our school, supporting:

- Library books
- Athletics gear
- Student clubs
- Grade 8 camp
- Grade 12 grad

This year's focus:

Renewing our computer labs

Our main fundraising goal this year is to replace one of PW's aging computer labs. Technology is an essential part of learning, but replacing a lab costs about **$50,000**. **Three labs need replacing**, and your support keeps the tools our students need to succeed.

PAC funds also support:

- Classroom, teacher and library needs
- Student clubs, the school musical and more
- Team travel and tournament fees
